

who should attend?

Secondary and post-secondary teachers and administrators, school nurses, and facilities managers with responsibility for the safety and health of learners and school employees.

topics...

OSHA regulations, personal protective equipment, chemical safety, hazardous materials, ergonomics, industrial hygiene, bloodborne pathogens, electrical safety, noise, legal liability of teachers, machine guarding, hazard identification and control, and techniques for teaching safety.

Schedule

June 16-20, 2008
Monday-Thursday, 8-5 PM
Friday 8-1 PM

Location

Northern Maine Community College
33 Edgemont Drive
Presque Isle, ME

OSHA card

You will receive a 30-hour OSHA general industry card for completing the course.

Academic Credit

You can elect to receive 3 academic credits for ITP 320-Occupational Safety and Health through USM. To obtain credits, you must (1) complete a pre-program survey, (2) attend all sessions, and (3) submit a safety and health project.

Housing

A confirmation letter will be sent to you when you sign up for the course. The confirmation letter will contain housing information about on-campus housing. Also, the campus is Wifi-Wireless Internet capable.

Some of the best health trainers in Maine will teach you how to apply the regulations in your school and how to teach teens to work safely. It's a week of intense learning - filled with humor and real-life experiences. An actual school inspection caps the program.

Summer Safety Institute
for Educators

Summer Safety Institute for Educators

June 16-20, 2008

Northern Maine Community College, Presque Isle, ME

"The actual inspection activity was amazing. It showed me

more than I thought possible

and showed that I can apply what I've learned."

"Outstanding and highly riveting presentation.

I liked the combination of media, humor, anecdotes, and explanations."

*Brought to you by the Maine Dept. of Labor, Maine Dept. of Education,
the University of Southern Maine, and Northern Maine Community College*

Cost and Registration

You may take the Summer Safety Institute for Educators for academic credit or not for credit. If you complete the course for credit, you will receive 3 credits from the University of Southern Maine. If you choose not to take the course for academic credit, you can elect to receive 4.5 continuing education units from Northern Maine Community College. Cost includes refreshments, lunch, books, and materials.

Registration procedures differ according to whether you take the course for academic credit or not for credit.

To take the course for academic credit:

Instate tuition: \$668.00
Books and materials: 250.00
Total \$918.00

To register for academic credit, contact Greg Bazinet, School of Applied Sciences, University of Southern Maine.
Telephone: (207) 780-5439, TTY (207) 780-5646, E-mail: bazinet@usm.maine.edu

To take the course not for academic credit:

Books and materials: \$250.00
CEUs (optional): 50.00

To register NOT for academic credit, use the form on the other side or contact Pattie Page at 453-7377.
